

Summer promotion

1 July – 31 August 2023

Buy 3 pallets at once and get the European Solar Experience and 2 showroom modules for free!

The European solar experience*

Enjoy a 2-day networking event with other installers from all over Europe and our team in Leipzig, Germany. Experience the making of premium solar cells and modules in Europe's biggest state-of-the-art solar production.

Details:

- 25 – 26 October 2023
- 1 night in a hotel in Leipzig
- Visits to Meyer Burger solar cell and module productions sites in Bitterfeld-Wolfen and Freiberg
- Networking and dinner with Meyer Burger team

2 showroom modules

Get your choice of 2 Meyer Burger showroom modules for free.

*The European Solar Experience is limited to 60 participants. A maximum of 2 people per installation company can participate. Places will be allocated according to the first-come, first-serve principle. The date of receiving the e-mail with the delivery note counts. For further questions please contact our sales team: +49 3723 671-3522, sales@meyerburger.com
